

**MICHELLE MARIN** is a community planner with professional experience in outreach, education and sustainability. She graduated from University of Michigan with a Master of Urban and Regional Planning degree. Her graduate work and research focused on housing affordability and local economic development. Michelle also received her Master of Education degree from the University of Nevada Las Vegas and her Bachelor of Science degree from the University of California Davis. She worked as a high school science teacher and environmental education specialist before transitioning to planning. Michelle is also a member of the Michigan Association of Planning and was a recipient of their memorial scholarship in 2022.
